

Do the work. Be like Rowan.

Rowan became famous for his initiative and ability to push through obstacles on his own.

Write out one action you can commit to each day, each week and each month to be more Rowan-like in your world. Post it where you can see it and look to it often to reflect on your progress.

Here are some examples to get you started:

Daily: I will think through a challenge thoroughly on my own and approach my manager with several solutions and my recommendation.

Weekly: I will volunteer to take on tasks that are outside my comfort zone.

Monthly: I will encourage initiative from others by sharing “A Message to Garcia” with someone who isn’t familiar with it.
